BOWBROOK ARCHERS

have the pleasure in offering

a SHOOT at ROVING MARKS for TRADITIONAL BOWS[1]
and some additional diversions
under the good auspices of
the Shropshire Fraternity of Longbows

at

PGL BOREATTON PARK

on

Sunday 10th January 2027

Arrows away at 10:30am

Entry fee of £10 (juniors –under 18, £5) includes insurance cover for roving marks. Soup and rolls at lunch time and tea, coffee and squash will be available throughout the day at no extra charge

Scoring will be four categories simply defined by bow draw weight in the following categories (i.e. no split into gentlemen and ladies):

- Lightweight — less than 35 lbs
- Standard — 36-50 lbs
- Heavyweight — 51-70 lbs
- Super heavyweight — Over 70 lbs

We will also run a flight competition at the end of the day to keep people amused while we sort the scoring at the end of the shoot. The flight competition will be a single category event.

[1] The competition is for wooden bows shooting wooden arrows. Asiatic bows that are primarily wood but might include an element of fibreglass are included provided you're using wooden arrows. If you shoot a more modern recurve and would like to experience roving marks, then you are welcome but won't be included in any of the categories for prizes. **Unfortunately, it is not a competition suitable for compound bows**.

Please email us at bowbrook.archers-rove@outlook.com if you intend to participate with names of the archers planning to shoot and the categories that they will be entering (see above). This helps us plan for correct numbers, particularly for the catering.

Numbers are limited to 50 for insurance purposes.

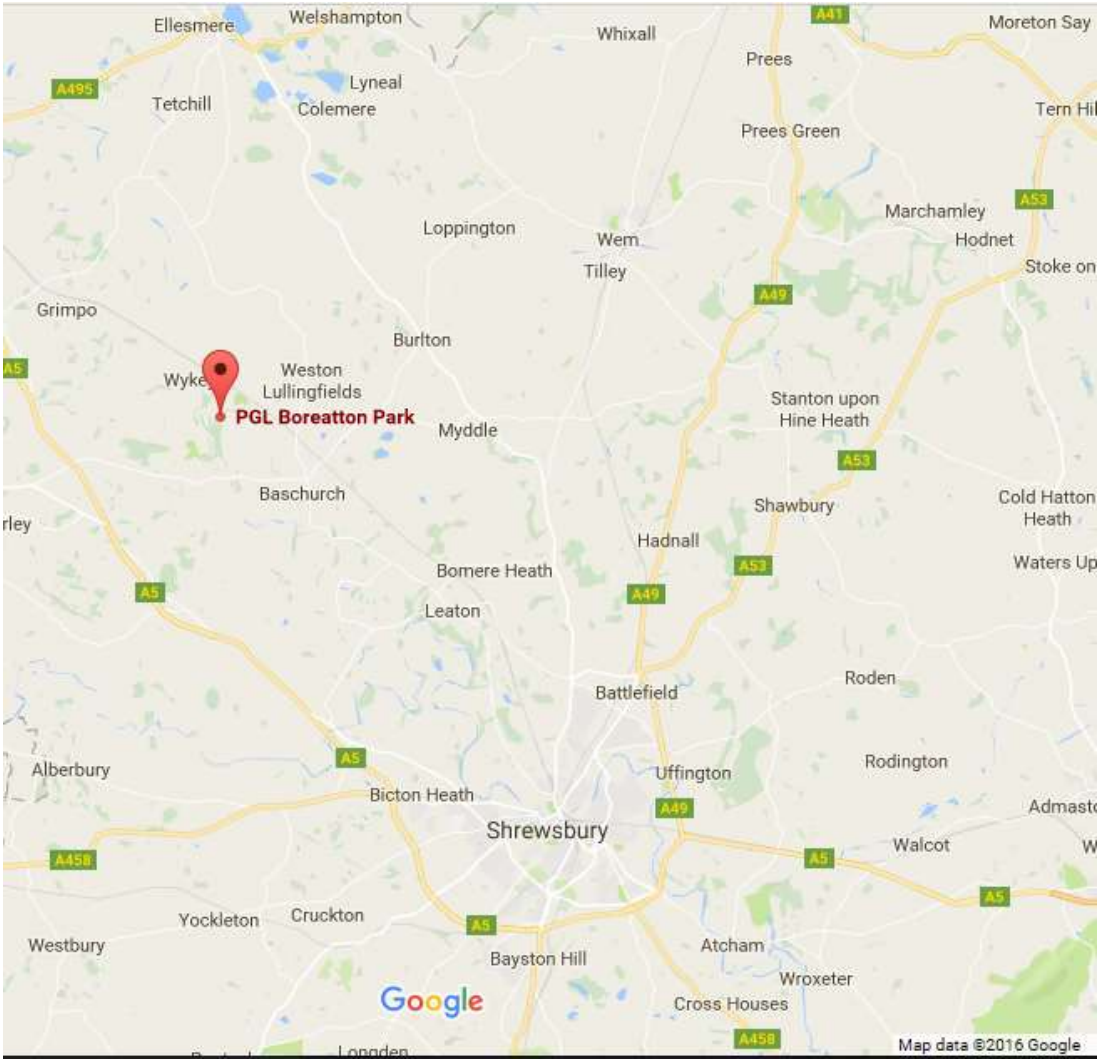

Payments by bank transfer in advance makes admin on the day easier. Our bank details are:

Bank	TSB
Sort Code	77-27-10
A/c number	34850960
A/c name:	Bowbrook Archers Ltd

Please include your surname and ROVE in the reference. We will also accept cash on the day but would prefer payment beforehand.
